## **ACCADEMIA**

DESIGN: CERAMICA FAETANO

Lucide superfici, preziosi effetti cangianti, colori morbidi illuminano gli ambienti rivestiti da questa serie ricca di fascino.

Il risultato è un'atmosfera unica ed elegante dove decori, dalle forme geometriche e dalle sinuose linee curve, impreziosiscono i rivestimenti ed i pavimenti coordinati della collezione.

Polished surfaces, precious iridescent effects and soft colors light up the rooms decorated with this highly alluring series. The result is an elegant atmosphere where decorative tiles in the form of geometric shapes and sinuous curves valorize the coordinated wall and floor tiles of this collection.

Accademia, ispirata al prezioso marmo Botticino,  
è ideale sia per soluzioni abitative  
dallo stile classico che contemporaneo.

Inspired by exquisite Botticino marble,  
Accademia is perfect for both classic  
and contemporary living spaces.

Grazie alla innovativa tecnica digitale il particolare aspetto scolpito della bocciardatura prende vita e diventa elemento di grande pregio decorativo regalando agli ambienti suggestive sensazioni di movimento e dinamicità.

Thanks to an innovative digital technique, the particular sculpted effect from bush-hammering comes to life and becomes an important decorative element, evoking an ambiance filled with impressive sensations of motion and vitality.
