# Sospesa fra Memoria e Futuro,

scandalosamente sofisticata e rigorosa, come in una speciale formula magica... si affiancano e convivono le linee di un'immaginario percorso parallelo dove tutto è combinabile, abbinabile, intercambiabile...

*Caught between Memories and the Future,  
shockingly sophisticated and precise, as in a special magic formula... Lines harmonize together and shadow one another on an imaginary parallel path where everything can be coordinated, combined, interchanged...*

...il pensiero va su ogni piccolo dettaglio, i fiori ripetuti all'infinito, immobili, rassicuranti.  
Particolari lucenti, purissimi dove tutto magicamente si riflette...

# Particolari lucenti e purissimi

... thoughts roam across each and every detail,  
endless repeating flowers, reassuringly fixed and still.  
Bright, clear elements, where everything is magically reflected...

...ogni pezzo diventa

# Protagonista assoluto

in un intrigante naturalezza.

...each piece becomes  
*a Perfect Centerpiece*  
in intriguing simplicity.

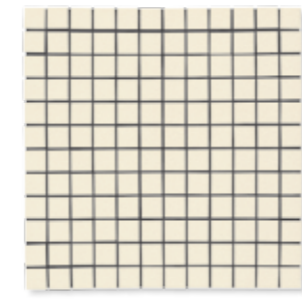

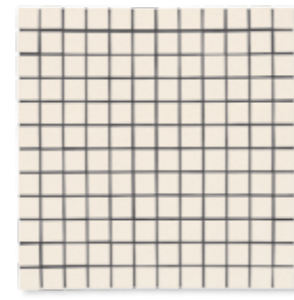

# É la Metamorfosi dei volumi,

il perfetto equilibrio delle proporzioni.  
...Il risultato finale è la rappresentazione di un progetto speciale, il luogo magnetico ed affascinante dalle forme uniche e sinuose.

*It is a Metamorphosis of shape and size,  
proportions in perfect balance... The end result is the manifestation of special design,  
the mesmerizing and fascinating place of unique and sinuous forms.*
